# REGISTRATION INFORMATION

## ONLINE REGISTRATION NOW AVAILABLE!

We have some exciting news for you! The Lindsborg Recreation Department has joined with Jarvis Rec to make your registration experience the best one yet. I am excited to share how easy this can be.

The Recreation Department tab has been updated and is ready for you to register one or multiple of your kids with a few easy clicks. Head to our website now and look around!

[www.lindsborgrec.org](http://www.lindsborgrec.org)

1. Click on Account / Register on the right hand side header to begin.
2. Click on Create a new Account and fill out the Personal Details form for you (the account holder).
3. Once you have finished, it will take you to your personal dashboard.
4. Add each participant separately.
5. Once Program Registrations open on October 1st, you will be able to register on the left hand side under Program Registration.

## LRD Late Registration Policy

For the Lindsborg Recreation Department to continue with their programming and activities, we must receive your registration and fee before the registration deadline. As we work with many other partners to be able to provide these programs, the number of participants is a key factor in each activity that is planned.

We do understand that late registrations happen, but please note, we do not always have the option to allow late registrations.

### Registration Policy

All registrations turned in after the Registration Date will be placed on a waiting list. Depending on the number of participants registered and based on what the program can hold, will determine the use of the wait list. A \$10.00 late fee will be assessed to the activity fee if a late registrant is available.

We will call the waiting list in the order registrations are received. The late registrant will be put in the program time or team that is needed. If there are multiple session times offered, we will do our best to get you in your first choice but we cannot guarantee it.

**THERE WILL BE NO REGISTRATIONS TAKEN THE DAY OF EVENTS.**

Thank you for your understanding on this matter; we want to provide the best programs for the City of Lindsborg and need your help to do so.
